To: Tara Devine <tara@devine-strategies.com>

Sorry Tara.

I neglected to note in my e-mail yesterday that all the parcels that have adjustments are tagged as such in a new (and temporary) column I created at the far left with.

The tags are:

7%- for those with no marketing assessment

S- for those that had the sand adjustment

7% & S- for those with both no marketing assessment and that had the sand adjustment
